EXPERIENCE

Janelle's House, New York, NY   March 2020 - Present
Senior Lockdown Specialist
- Using my time out of work due to Covid-19 to (mostly) not go crazy
- Taught a 10-week volunteer UX design class for my alumni association
- Earned an Associate Certification in 3D motion graphics
- Joined TikTok, embarrassed my daughter, grew follower count +200% monthly

Software Co., New York, NY   October 2018 - March 2020
Sr. Product Designer
- Responsible for overseeing growth-related features in mobile payment app
- Found efficiencies and identified solutions that increased payments 27%
- Laid off due to company-wide Covid-19 cutbacks

Software Co., New York, NY   October 2016 - September 2018
Product Designer
- Conducted 100+ interviews to simplify enterprise software app setup flows
- Created wireframes, visual designs of internal site used by 92% of company

Tech Incorporated, Hoboken, NJ   June 2015 - August 2016
Designer
- Wireframed payments-focused section of a new e-commerce website
- Created user flows for user research with over 50 iterations and A/B test

DevPoint, Inc., New York, NY   July 2014 - August 2014
Intern
- Helped project-manage the release of new social feature within the app

EDUCATION

- New York Art School, BA, Digital Media
